MyCentennial

Pay Tuition & manage your account

myCentennial is your electronic portal to Centennial College information and services such as registration, fee payments, email, grades, and courses in which you are enrolled. It also provides access to electronic course resources through eCentennial. Be sure to keep your password safe and confidential.

[Learn More →](#)

eCentennial

Students are encouraged to regularly check the News section in their eCentennial course shells for important course information, such as possible class meeting time changes and special notices from the department administration and professors.

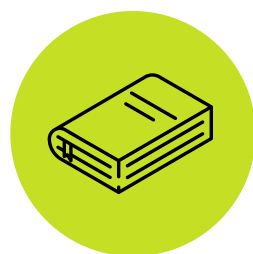

[Learn More →](#)

Communicating with Professors

You can email your professor within your eCentennial course shell.

Go to Communications >Class Lists to find your faculty member's name and email address.
